REMARKS

This is UNEVALUATED Information

25X1

1. The 10 five-story barracks buildings and numerous auxiliary buildings of the Panzer Kaserne on Puenfeichenweg, Neubrandenburg (N 54/U 66), seemed to be occupied to capacity on 31 January 1951. The installation had an estimated billeting capacity of 4,000 men. All the windows were lighted at dusk. Soldiers seen wore red-bordered black epaulets, some of them with tank insignia.

25X1

2. A former highway inn located at the road fork near the Panzer Kaserne was believed to serve as an officers' mess and club. Many officers were seen there. *
3. Two JS-3 tanks were standing at the eastern edge of the former torpedo test institute. Fifteen EM wearing red-bordered black epaulets, and some officers were also seen there.

25X1

- * Comment. The estimated occupation of the installation by 4,000 men seems rather high. The motor vehicle belongs to the 9th Gds Tank Div and headquarters units of the Second Gds Mecz Army. tank components of the 9th Gds Tank Div and headquarters units of the Second Mecz Army are stationed in Neubrandenburg.
